

## Bright Futures Patient Handout: 18 to 21 Year Visits

### How You are Doing

- Enjoy spending time with your family.
- Find activities you are really interested in, such as sports, theater, or volunteering.
- Try to be responsible for your schoolwork or work obligations.
- Always talk through problems and never use violence.
- If you get angry with someone, try to walk away.
- If you feel unsafe in your home or have been hurt by someone, let us know. Hotlines and community agencies can also provide confidential help.
- Talk with us if you are worried about your living or food situation. Community agencies and programs such as SNAP can help.
- Don't smoke, vape, or use drugs. Avoid people who do when you can. Talk with us if you are worried about alcohol or drug use in your family.

### Your Daily Life

- Visit the dentist at least twice a year.
- Brush your teeth at least twice a day and floss once a day.
- Be a healthy eater.
  - Have vegetables, fruits, lean protein, and whole grains at meals and snacks.
  - Limit fatty, sugary, salty foods that are low in nutrients, such as candy, chips, and ice cream.
  - Eat when you're hungry. Stop when you feel satisfied.
  - Eat breakfast.
- Drink plenty of water.
- Make sure to get enough calcium every day.
  - Have 3 or more servings of low-fat (1%) or fat-free milk and other low-fat dairy products, such as yogurt and cheese.
- Women: Make sure to eat foods rich in folate, such as fortified grains and dark-green leafy vegetables.
- Aim for at least 1 hour of physical activity every day.
- Wear safety equipment when you play sports.
- Get enough sleep.
- Talk with us about managing your health care and insurance as an adult.

### Your Feelings

- Most people have ups and downs. If you are feeling sad, depressed, nervous, irritable, hopeless, or angry, let us know or reach out to another health care professional.
- Figure out healthy ways to deal with stress.
- Try your best to solve problems and make decisions on your own.
- Sexuality is an important part of your life. If you have any questions or concerns, we are here for you.

### Healthy Behavior Choices

- Avoid using drugs, alcohol, tobacco, steroids, and diet pills. Support friends who choose not to use.
- If you use drugs or alcohol, let us know or talk with another trusted adult about it. We can help you with quitting or cutting down on your use.
- Make healthy decisions about your sexual behavior.
- If you are sexually active, always practice safe sex. Always use birth control along with a condom to prevent pregnancy and sexually transmitted infections.
- All sexual activity should be something you want. No one should ever force or try to convince you.
- Protect your hearing at work, home, and concerts. Keep your earbud volume down.

### Staying Safe

- Always be a safe and cautious driver.
  - Insist that everyone use a lap and shoulder seat belt.
  - Limit the number of friends in the car and avoid driving at night.
  - Avoid distractions. Never text or talk on the phone while you drive.
- Do not ride in a vehicle with someone who has been using drugs or alcohol.
  - If you feel unsafe driving or riding with someone, call someone you trust to drive you.
- Wear helmets and protective gear while playing sports. Wear a helmet when riding a bike, a motorcycle, or an ATV or when skiing or skateboarding.
- Always use sunscreen and a hat when you're outside.
- Fighting and carrying weapons can be dangerous. Talk with your parents, teachers, or doctor about how to avoid these situations.
